

Weekly Newsletter

Dear Parents and Carers,

We have all had a fantastic week preparing for our future in one way or another!

Thank you to all the parents that attended coffee morning with Richard and Jonathan and contributed towards the consultation of how **Trees in Cities** will help to transform our play spaces and edible playgrounds. Staff and pupils have also had an opportunity to contribute through meetings and workshops. We will have the information boards in the foyer for people to have a look if they haven't had a chance to.

On Wednesday School Council met with Jonathan and Fabiola from Trees in Cities, we started with apple tasting so that we could decide which apples to have planted in our orchard. We judged the apples according to the following aspects: taste, colour, sweetness and texture. We then made Minibeast hotels that are currently receiving guests in the secret garden. Please be careful when entering the area so as not to disturb the guests. We also voted for a butterfly and a spider to be part of our environmental wooden sculptures. We welcome the opportunity to make our school more environmentally friendly. By Maya and Teddy (*Y6 school Council*).

All the pupils have had an amazing time imagining what they would like to be when they grow up. They have thought about the learning and skills they would need on their journey to making their future a reality. Mr Ward was here to take a photograph of each child from Reception to Year 6 along with a written indication of their potential profession. The pictures are being artistically re-mastered in the style of Andy Warhol. A "Glimpse into our Future" will be a permanent exhibition to remind us of our aspirations.

This Thursday 19th September we will be visiting All Saints for our Harvest Service that will begin from 2:30pm. Pupils from Reception to Year 6 will be attending the service as Nursery children are still settling in and for some it will be their first day. Nursery will be having a separate celebration in school. Children are encouraged to bring cans or packets of food that will be distributed by the church to the Food Bank and locally to families in need. All are welcome to join us in the service and if you wish you may pick your child up afterwards please inform your class teacher before the day.

Please wear your jeans on Friday (trousers, skirts or jackets will do) as we take part in Jeans for Genes Day- a national fundraising event for children who suffer from genetic diseases. Everyone in jeans including the grown up will need to pay £1:00. Thank you very much for your support in all our fundraising for our community and beyond. Wishing you all a lovely if wet weekend,

Mrs Smith

Stars of the week:

Reception: Louie and Bailey
Year 1: Olivia and Shaneice
Year 2: Paul and Harley
Year 3: George and Jidechi
Year 4: Marios and Yaseen
Year 5 Lewis and Ellie
Year 6: Courtney and Nimat

Congratulations to Year 2 for winning the Attendance Cup!

Nursery:	
Reception:	94.66
Year 1:	96.33
Year 2:	99.31
Year 3:	96.29
Year 4:	96.55
Year 5:	96.40
Year 6:	82.30

Happy Birthday to you!

Joe	15 th September
Dylan	18 th September
Lauren	19 th September
Albie	20 th September
